

Riddle Me This!

The more you take away, the larger it becomes. What is it?

HC 1-84148-169-3 \$19.99

What gets wetter the more it dries?

You go into it through one hole,
You come out of it through three holes,
When you're inside it you're ready to go outside,
When you're outside you're still inside.
What is it?
